

Transform Your Space With **SUMMIT**

Create a visual display of sound absorbing acoustics with SANA Shapes.

Summit offers diversity and aesthetic through mobile function and design flexibility in 3 complimentary colour options.

With an NRC of 0.70, SANA 24mm absorbs up to 70% of noise pollution, adding acoustic and aesthetic benefit to the space.

Code	(size mm)	Colour
SANA-SMT1800-SD	1800x560mm	Shadow
SANA-SMT1800-ML	1800x560mm	Moonlight
